Dear Sir,

It is our pleasure to invite you to participate in a workshop on **supporting people from under-represented and disadvantaged groups (e.g. youth, women, seniors, the unemployed, people with disabilities) in business creation and self-employment in Croatia**, which will take place on **4 July 2018**. This workshop is organised by the Organisation for Economic Co-operation and Development (OECD) in co-operation with the European Commission and CEPOR (*Centar za politiku razvoja malih i srednjih poduzeca i poduzetnistva*).

The purpose of the workshop is to review and discuss a short report on inclusive entrepreneurship policies and programmes in Croatia. The workshop aims to ensure that the description of current policy actions is accurate, validate preliminary policy recommendations and bolster the justification for these recommendations.

The meeting starts at **13:00** and will be held at CEPOR (Trg J. F. Kennedy 7 / dvorana, 1 kat). Please find attached the draft agenda for the event. If you are unable to participate, we would be grateful if you could nominate someone to attend in your place.

Please confirm your attendance by sending an e-mail to Cynthia Lavison (cynthia.lavison@oecd.org) or David Halabisky (david.halabisky@oecd.org) and Danica Eterović (deterovic@cepor.hr) before 29 June 2018.

We look forward to hearing from you.

Best regards,

The Inclusive Entrepreneurship Team
